

Step 5: Read the answers and underline one if you think it's the right one.

- the mall
- the movies
- the zoo
- the science centre

Step 6: Use the key words (Where, family, trip) to find the correct answer in the story. The title of the story, A Trip to the Zoo, tells you that “the zoo” is the correct answer.

If your answer matches what you underlined, fill in the circle next to “the zoo.”

- the mall
- the movies
- the zoo
- the science centre

Step 7: Go on to the next question.

Now it's time for you to practice using Dr. Don's steps.

The questions are on the following pages.

Remember to do all the steps even if you know the answer.

By doing so, you will avoid making careless mistakes, and you will remember all the steps when you have to answer difficult questions.
