

13. In the poem “The Blind Men and the Elephant” what statement best indicates what happened?

- Each blind man only touched one part of the elephant.
- The elephant was all the blind men’s favourite animal.
- All thought the elephant was a wondrous beast.
- All the blind men thought that the elephant was a different animal.

14. After reading the poem, what are your feelings about elephants? Use information from the text and your own ideas in your answer.
